Quality Improvement Plan Summary

Beachport Preschool

Goals	Challenge of Practice	Success Criteria
-------	-----------------------	------------------

To extend children’s ability to articulate their thinking and build on the ideas of their peers in numeracy.	If we embed sustained, shared thinking with a focus on early numeracy concepts, then we will see children demonstrate use of mathematical vocabulary in scaffolded and spontaneous learning experiences.	<ol style="list-style-type: none">1.) Children will participate in conversations using topic specific numeracy vocabulary.2.) Children will use and experiment with the language of numbers and quantities.3.) Children can identify and explore numeracy in the world around them.

National Quality Framework Priorities	Key steps
---------------------------------------	-----------

<p>Quality Area 1: Education Program and Practice Our teaching and learning programs reflect each child’s interests and builds upon their strengths, fostering independence and child agency.</p>	<p>Leaders and educators will reflect throughout the teaching and learning cycle, reviewing evidence and documentation to ensure intentional ‘next steps’ and teachable moments are evidence informed. Leaders and educators will reflect upon and document each child’s learning journey and share information with families. Leaders and educators will utilise and refer to learning trajectories and curriculum resources to support the planning of teaching and learning cycles and to make intentional curriculum decisions.</p>
<p>Quality Area 3: Physical Environment Our indoor and outdoor learning spaces are intentionally organised and designed to support every child to participate and be engaged; supporting wellbeing, safety and belonging.</p>	<p>Leaders and educators will resource and design intentional spaces; both indoors and outdoors that reflect student interest, ability and need. Leaders and educators will endeavour to utilise resources, materials and equipment sustainably, promoting this value to families and children.</p>
<p>Quality Area 7: Governance and Leadership Our leadership and teaching team work cohesively to ensure a positive and professional culture across our school and preschool community.</p>	<p>Leaders and educators will ensure roles and responsibilities are clearly defined and communicated, supporting effective safety and risk management processes within our service. Leaders and educators will participate in effective, ongoing review and self-assessment, promoting professional reflective conversations and ongoing improvement.</p>
